UPDATE FROM SCHOOL 5/1/20

Dear Families and Students,

As I shared in my video, NYS Governor Andrew Cuomo announced the extension of virtual learning until the end of June. We will continue to provide weekly updates from Green Chimneys and encourage you to communicate with us any way we can be of help during this challenging time. It is important that we are there for one another now more than ever.

I encourage everyone to follow guidance from your local health department and continue social distancing, use a mask when you are in public places, and wash your hands regularly for at least 20 seconds with soap and water.

Have a wonderful weekend,

Jerry Newell
